# What is Re-Imagine Competition.

Re-Imagine is a web design contest by The Sheryians Coding School. It's all about giving Indian/International brand websites a modern makeover. Unlike other contests, we focus on making bold, fresh designs for real brands. We want students to learn by doing, with real-world examples.

## Example.

Imagine your 3 favourite brands are McDonald's, Coca Cola, and Samsung. **Choose any two** of these brands and let your creativity flow. Reimagine their website concepts with stunning details, animations, and micro-interactions. Create a responsive, awe-inspiring website for each brand. Your first submission is for Round 1, and the second is for Round 2 of the challenge.

# Prizes

1st

₹ 75,000

2nd  
₹ 50,000

3rd  
₹ 25,000

# How to participate.

- Go to [reimagine.sheryians.com](https://reimagine.sheryians.com)
- Register your team
- Last date of registration is 23 June 2024.
- Captain can not be changed later.

- Click on Join Discord Button to get into the closed group of reimagine members.
- Woohoo you have it.

Each team member should log in using the same email address they provided during team registration. The coupon is associated with your email address.

# Competition Details.

Create two complete single-page websites for any two brands, ensuring that you reimagine the theme and overall look and feel of each site rather than cloning existing designs. Upload both websites to GitHub and obtain the GitHub Pages links.

Competition has 4 rounds. For submissions of Rounds 1 and 2, the team captain will log in to [reimagine.sheryians.com](http://reimagine.sheryians.com).

## Last date of Team Registration

24 June 23:59:59

Interview round. Two members of every selected team will attend a virtual Interview round with us.

Result on 6th Aug

### Round 4 [4th Sep - 5th Sep]

Final round in Bhopal.  
Overnight coding Hackathon

# Round 1

## First Website Submission.

Every registered team will be welcomed to compete in round 1 of the challenge. Once your team is registered, you can begin preparing to re-imagine and create websites for two distinct brands.

The submission for round 1 will be open from July 1st [00 : 00 : 00 ] to July 3rd [23 : 59 : 59]. Please ensure that you adhere to these guidelines.

1. Create your website and upload the code to GitHub
  - a. Repo must be **private**.
  - b. Name of repo - “[TeamName]ReimagineRound1”.
  - c. Add “**reimagine-sheryians**” as collaborator.
2. Make the website live using GitHub Pages, Vercel, or any other hosting platform of your choice.
3. Each team member will create a LinkedIn post explaining the Reimagine Contest, the team's project work, and their experience.
4. For submissions, log in to your Re-Imagine account and submit the code repository URL, the live URL of your website, and the LinkedIn post link for each team member.
5. You can submit the details only once.
6. Do not commit anything after the deadlines, as any further commits may result in disqualification for your team.

# Round 2

## Second Website Submission.

Every selected team will be welcomed to compete in round 2 of the challenge. If your team is selected for round 2, you can begin preparing to re-imagine and craft a second website for this stage of the competition.

Begin creating both of your websites from the start, rather than waiting until your team is selected for round 2. This approach ensures that you have sufficient time for the round 2 challenge, as there may not be much time between rounds.

Round 2 submissions will begin on July 20th [00 : 00 : 00 ] and Ends on July 22nd [23 : 59 : 59]. Please ensure that you submit your second website before the deadline and adhere to these deadlines.

- 1 . Create your website and upload the code to GitHub
  - a . Repo must be **private**.
  - b . Name of repo - “[TeamName]ReimagineRound2”.
  - c . Add “**reimagine-sheryians**” as collaborator.

Points 2, 3, 4, 5, 6 are same as round 1

# Round 3

## Virtual Interview Round

Selected teams will be welcomed to Round 3 of the challenge. The team captain will receive a confirmation email.

Two of your top members will participate in a virtual interview. During this round, they will be asked about their approach to the website creation process, inspirations, JavaScript functionalities used, and their thought process behind design and implementation choices.

Interview dates for your team will be shared via email. Your team will be invited on the specified date and time mentioned in the email.

# Round 4 Is Special

Teams that successfully pass Round 3 will advance to the final round, Round 4, which is scheduled to take place in the picturesque city of lakes, Bhopal.

Selected teams will be invited to the city of Bhopal on September 4th and 5th, 2024, for a two-day event. You will be our esteemed guests, and we will ensure your hospitality during your stay. Hotel rooms will be provided for team members, with separate accommodations for female participants. The competition will commence on September 4th at 1 pm and will continue until 6 am the following day.

Sheryians Coding School will take care of providing breakfast, lunch, and dinner, ensuring that students can focus solely on developing their ideas and producing their final output.

The complete schedule of the event will be shared via email once your team qualifies for this final round.

# Disqualification Scenarios

1. Any unethical activity or abuse in the Discord group or with any other team members will not be tolerated.
2. Misbehavior with Sheryians organizing staff or mentors is strictly prohibited.
3. Any false or defamatory allegations against the Sheryians brand over the internet are unacceptable.
4. Cheating or stealing data from other teams will result in severe consequences.

# Refund Policy

1. There is no refund for this service.
